

REMARKS

By this amendment, the informalities in the claims have been corrected. The specification has been amended to reflect the patent numbers of related cases. Claims 17, 26, 47, 48 and 65 have been cancelled.

It is believed that these changes now make the claims clear and definite and, if there are any problems with these changes, Applicants' attorney would appreciate a telephone call.

Accordingly, this application is believed to be in condition for allowance, the notice of which is respectfully requested.

Respectfully submitted,
